

DN-WAN.560.24.2025 (formerly DN-WAN.76.25.2024)

**RESOLUTION No. 14/2025  
OF THE SCIENCE EVALUATION COMMITTEE  
of 18 June 2025**

**on the evaluation of the quality of education at a doctoral school**

Pursuant to Article 259(1) and Article 262(2) of the Act of 20 July 2018 — Law on Higher Education and Science (Dz.U. /Journal of Laws/ of 2024, item 1571, as amended), hereinafter referred to as the "Act", having reviewed the results of the evaluation referred to in Article 262(1) of the Act, which was carried out by the Evaluation Team, the Science Evaluation Committee resolves to

**positively evaluate the quality of education**

at the Doctoral School of Social Sciences and Humanities  
run by the SWPS University.

This evaluation applies to the period from 1 October 2019 to 18 December 2024.

Justification:

Having verified the Self-Assessment Report submitted by the SWPS University Doctoral School against the information obtained during a visit to the institution, the Science Evaluation Committee reached the conclusions set out below. The educational process at the Doctoral School meets the criteria provided for level 8 of the Polish Qualifications Framework. This is also the case when it comes to the other criteria described in detail in this Report, including the evaluation of cooperation with the doctoral student council. The reservations contained in the Evaluation Report, concerning some of the procedures and solutions applied by the Doctoral School, are only guidelines aimed at improving the already high quality of education. The Science Evaluation Committee hopes that the Doctoral School will consider their implementation, recognising that they will improve the education of young scientists. In conclusion, we evaluate the institution, the recruitment processes and the education of doctoral students in an overwhelmingly positive manner.

Note:

Parties dissatisfied with the evaluation may raise objections to it within 30 days of the date of delivery of this resolution, pursuant to Article 262(4) of the Act.

**Chair of the Science Evaluation Committee**  
**prof. dr hab. n. med. i n. o zdr. Filip M. Szymański**
